You would not want to miss this great opportunity to experience the Passion, Death and Resurrection of Jesus Christ in a way that can make this an unforgettable event in your life. Considered one of the greatest mysteries of our time, *The Shroud of Turin* continues to amaze and baffle scientists, doctors, historians, artists and theologians. Bill Wingard, a speaker for the Shroud, will present the case for authenticity and you can be the judge. Come and see a full size replica of the Shroud and the photographic negative images that sparked an explosion of scientific interest and debate over a century ago which continues today. **Everyone, and all faiths are welcome to attend.** The whole family including kids, are invited. And don't forget to bring along your camera!

Mt. 18:21-25

Forgiveness is critical to a healthy life. By holding on to any injury, we are hoping for a better past which will never happen. Forgiveness recognizes that we were unjustly treated and that it will not be corrected. Forgiveness does not condone the injustice. It is a decision to not let the injustice control our lives any longer.
